DATE: 15 September 2009

Greetings!

The National Museum of the Marine Corps Museum Store's wholesale division is pleased to announce an assortment of gift and collectible items from the museum which are themed to Marine Corps history and traditions. Heretofore, these items were only available through NMMC-MS. Items represent United States Marine Corps history, tradition, and values—and now you can offer them to your customers.

Please read the general terms information. Items we offer are on the enclosed Wholesale Sheet. Complete and return a credit application if you are a wholesale customer. If you are buying on a one time basis in bulk as an association, you do not need to complete a credit application. You can call in an order, or you can email, mail, or fax one to us.

We look forward to doing business with your organization. If you wish, you can become our partner and trade reciprocal links with us to increase your visibility on our website.

I look forward to hearing from you.

Sincerely,

Carl Smith
