2026 ANNUAL AWARDS DINNER

*Honoring Excellence in
Preserving Marine Corps History*

APRIL 25, 2026

Since 1981, the Marine Corps Heritage Foundation's Annual Awards Program has recognized extraordinary individuals whose creative work preserves, promotes, and shares the history, traditions, and culture of the United States Marine Corps.

Each spring, this black-tie dinner at the National Museum of the Marine Corps brings together senior Marine Corps leaders, distinguished guests, award-winning authors, journalists, filmmakers, artists, and supporters. It is a night that not only celebrates achievement but also supports the Foundation's mission to ensure the Marine Corps legacy endures for generations.

Sponsoring the Awards Dinner positions your organization alongside one of the Foundation's most prestigious initiatives, demonstrating your commitment to honoring service, sacrifice, and the enduring legacy of the Corps.
